INFORMATION DISCLOSURE STATEMENT IN COMPLIANCE WITH 37

CFR §§ 1.97(b) and 1.98(d)

TECH CENTER 1600/2900
APR 11 2002

Submitted herewith on Form PTO-1449 is a list of publications that applicants and their agents/attorneys have identified during the preparation of this application. In accordance with CFR § 1.98 (d), applicants respectfully submit that **no copy** of any patent, publication, or other information listed on the enclosed Form PTO 1449 is needed because the citations were made in prior application U.S.S.N. 08/428,415, filed April 24, 1995 which is relied upon for an earlier filing date under 35 U.S.C. 120.

This Information Disclosure Statement is being filed before the mailing of the first office action on the merits; therefore, no fee is due.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached Form 1449.

This submission does not represent that a search has been made or that no better art exists. Nor does it constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

The Information Disclosure Statement submitted herewith is being filed before the mailing date of a first Office Action on the merits, and as such applicants believe no fees are due at this time. However, should any fees need to be paid in connection with this submission, the Commissioner is hereby authorized to credit any overpayment or charge any deficiency to/from **Deposit Account No. 18-1945**, under Order No. GPCI-P10-019.

Respectfully submitted,
Ropes & Gray
